

Welcome to our Energy Division at Elm Creek

Box 130, Elm Creek, MB, R0G 0N0; Phone: (204) 436-249; Fax: (204) 436-2391

Meet the Team

Energy Division Manager - Trevor King

My roots run deep within the farming community as well as in the Co-operative movement, with a family history of loyal membership and leadership in our local Cooperatives.

I began my career with Marquette Co-op in 2011 and later received training in both Retail and Petroleum Management. When the amalgamation with Elm Creek Co-op came to fruition, I moved into the position of Energy Division Manager for Prairie Roots Consumers Co-operative.

I have seen the Petroleum Division grow from 2 Tandem axle fuel trucks to a fleet of 5 tandem axle trucks with 3 triple axle Pup trailers. Our fuel volume has grown considerably with bulk oil sales and Energy Equipment climbing annually.

I have the support of a great team of drivers and am proud of the growth our Co-operative has achieved, and sustained.

Our Fuel Team and I look forward to serving Elm Creek and the surrounding areas with all of your Energy, Lubricant, Storage and Equipment Handling needs. Should you see any of our drivers in your yard please feel free to introduce yourselves and make them aware of your delivery needs.

Contact me:

Phone: *Office* 204-375-6570; *Cell* 204-451-1012

Email: t.king@prairierootscoop.ca

In Person: My office in Marquette. Call to schedule a meeting at your farm.

Driver Salesman - Neal Smith

2021 is Neal's 15th year within the Co-op system . He has lived in the area his entire life and enjoys working in the community he calls home. Neal has been witness to a lot of growth and changes - from 2 trucks, to 3 and now 5 plus 3 pups to date.

Driver Salesman - Blaine Becker

Blaine moved to Manitoba in 2005 and lives in the Woodlands area with his wife and daughter. He has been driving for 20 years and started with Marquette co-op 8 years ago after 12 years driving for Gardewine.

Driver Salesman - Perry Hildebrandt

Perry Hildebrandt has been employed with Prairie Roots Coop since 2015 as a part time driver . He started as a driver 3 days a week and puts in extra days and time in our busy seasons to relieve other drivers and help stay caught up. He is also a long-time member of our Cooperative and our community with extensive knowledge and history of our trading area and beyond.

Driver Salesman - Blair Myskiw

We are very proud to recently have Blair Myskiw join our driver team to help serve our members in all three locations. Blair is a long time resident of our community and his family's membership history in our Co-operative stretches back generations. Blair brings with him many years of professional driving experience, both urban and rural, that will fit in very well with our Fuel delivery Team.

How to Order

Orders should be called in to any of our three store locations or can be placed by text or phone to myself @ 204-375-6570 (office) or 204 451-1012 (cell).
